## Student Reflection:

### PROCESS

What was the most difficult part of sculpting this piece for you?

---

---

---

Is there anything you enjoyed more about creating the skull than other projects so far this year?

---

---

---

### PRODUCT

Are you satisfied with how your skull turned out? Why/Why not? What about it makes you proud?

---

---

---

If you had to do it over again, is there anything you would've done differently?  
How could your skull have been better?
